EDUCATION

SMAN 3 Bandung
Bandung Institute of Technology for Electrical Power Engineering

ABOUT

I am a Electrical Engineering undergraduate student from Bandung Institute of Technology. I like to learn new things to upgrade my hard skill, soft skills, and especially my experience. I believe doing various things will lead me to brand new experiences and increase my knowledge.

EXPERIENCE

- Member of NYSRE 2020/2021

I was the person in charge for publication and documentation.

- Member of KANST 2016-1019

I was the head of this organization.

ACHIEVEMENT

- Highest score of National Exam in Santa Ursula Junior High School (2016)
- Silver medal Indonesia National Science Olympiad for Mathematics (2015)
