PROFESSIONAL RESUMEE

Current student of Foreign Trade, in which I reciently finished all the subjects and now to adquire my degree, I'm just waiting to finalize the professional practice or thesis. Some of my experiences in professional terms could be considerade the 3 years that I spent working as a monitor with a research group called Humanismo & Gestión, from the Universidad del Valle. Then I started a new role in the EnlaU enterprise, having the position of the Partner from the ICESI University, in charge of the logistics and delivery of the orders in the university.
